

Aging and Disability Resource Center of Calumet County

[Visit Website](#)

The Aging and Disability Resource Center (ADRC) of Calumet County provides Disability Benefit Specialists and Elder Benefit Specialists. Benefit Specialists are professionals who provide broad access to benefits, entitlements, and legal rights for older adults and people who have disabilities. Benefit Specialists help "navigate the system" with their knowledge of the services available and advocacy skills to help the individuals they service. They also assist people with understanding the various programs available, related paperwork needed, and connecting with resources to provide additional assistance.
