[Visit Website](#)

The Aging and Disability Resource Center (ADRC) of Dodge County helps disabled adults or seniors who are encountering problems with private or government benefit programs by providing Benefit Specialists. Benefit Specialists are trained and guided by attorneys who specialize in elder and disability law. They are often called "the red tape cutters", and their mission is to help people figure out what benefits they are entitled to and what they must do to receive them. A Benefit Specialist is an advocate who can act on behalf of an individual with other parties involved. Many of the benefit issues faced by seniors and individuals with disabilities can be very complex. A phone conversation can often times be sufficient to provide information and guidance.
