

Adams County Veterans Service Office

[Visit Website](#)

The Adams County Veterans Service Office (CVSO) assists all veterans and eligible dependents in the application and administration of all available programs from the United States and Wisconsin Department of Veterans Affairs. This includes appeal action relative to the denial of benefits. They may also make referrals to other agencies to insure that all possible assistance is provided.

All VA-accredited representatives are authorized to provide help with VA benefit claims to Veterans and service members, as well as their dependents and survivors. An accredited VSO representative can help you gather evidence, file a claim, or request a decision review. And they can communicate with the VA on your behalf.
