

Door County Veterans Service Office

[Visit Website](#)

The Door County Veterans Service Office (CVSO) provides all veterans of Door County and their families with a single, comprehensive, and seamless access point to the services and benefits which they have earned from both the United States Department of Veterans Affairs (VA) and the Wisconsin Department of Veterans Affairs (WDVA). They initiate applications for veterans and their dependents for a wide array of benefits. Many of the benefits available through the VA or WDVA can be difficult and time consuming to apply for. The CVSO will gladly assist any veteran or family member with the paperwork and application process.

All VA-accredited representatives are authorized to provide help with VA benefit claims to Veterans and service members, as well as their dependents and survivors. An accredited VSO representative can help you gather evidence, file a claim, or request a decision review. And they can communicate with the VA on your behalf.
