

Outagamie County Veterans Service Office

[Visit Website](#)

The Outagamie County Veterans Service Office (CVSO) helps veterans navigate the challenges they may face when working with documents and processes from the Veterans Administration or Wisconsin Department of Veterans Affairs. The CVSO has a dedicated team to help veterans understand benefits they MAY be entitled to for their military service.

All VA-accredited representatives are authorized to provide help with VA benefit claims to Veterans and service members, as well as their dependents and survivors. An accredited VSO representative can help you gather evidence, file a claim, or request a decision review. And they can communicate with the VA on your behalf.
