[LIFT WI](#) offers in-person monthly clinics in Racine and Jefferson counties so you can get assistance from an attorney to help you understand and resolve active suspensions and/or revocations against your Wisconsin driver's license. Participants will speak with volunteer attorneys to help with driver's license related issues like reopening previous legal forfeitures or unpaid fines and fees, understanding and addressing OWI related barriers, and facilitating access to occupational driver's licenses.

Walk-ins will be seen and helped. The clinic also offers virtual attendance.

Spanish translation is available upon request.
