The Lawyer Referral & Information Service (LRIS) is a FREE referral service for anyone that has helped people navigate through the legal process to ensure that all in the community have access to justice.

- A trained interviewer assess the caller's situation and determine the most appropriate way to proceed.
- Caller is then referred to either a private attorney, government agency, or community resource, depending on the nature of the legal problem.
- If the caller is referred to an attorney, the first half hour consultation will cost no more than \$20.
- This is a free service. LRIS does not charge callers for information or referrals. All calls are treated confidentially.
- There is no charge to receive a referral from LRIS. The attorneys in the service are all private attorneys who set their own rates. Cost can be discussed with the attorney after the referral is made.
